

**CATHOLIC DIOCESE OF EVANSVILLE  
CODE OF CHRISTIAN CONDUCT COVERING  
STUDENTS AND PARENTS/GUARDIANS  
\_\_\_\_\_SCHOOL**

The students' interest in receiving a quality, morally based education can only be served if students, parents, and school officials work together. Normally, differences between these individuals can be resolved. In some rare instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child.

It shall be an express condition of enrollment that the student behave in a manner, both on and off campus, that is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school.

It shall be an express condition of enrollment that the parents/guardians of a student shall also conform themselves to standards of conduct that are consistent with the Christian principles of the school, as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles, or procedures set forth in any student/parent handbook of the school.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral, and behavioral expectations of the school.
2. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive.
3. These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.).

The school reserves the right to determine, in its discretion, which actions fall short of meeting the Christian principles of the school. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian and normally will first result in disciplinary action short of a requirement to withdraw from the school (e.g., suspension of student or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in parish/school activities, volunteer work, etc.).

The school reserves the right to determine, in its discretion, when conduct is of such a severe nature as to warrant immediate action without a warning and/or without an intermediate step short of withdrawal.

## **CRISIS/CONFRONTATION POLICY**

The safety and well-being of every student, the school staff and the educational and disciplinary environment of our Catholic Schools are of paramount importance. Catholic school authorities, therefore, must often make judgements which are intended to directly and quickly address potential problems and dangers they perceive based upon information received or obtained and/or behavior observed with respect to a particular student or group of students.

Therefore, the provisions of this section may be invoked by school authorities without prior notice to the student or the student's parents in any instance where school authorities possess information which leads them to conclude that a reasonable possibility exists that any of the following events either has occurred, is underway or may occur absent intervention:

- A. A student has engaged in or has threatened to engage in any illegal conduct, whether or not on school property;
- B. A student has engaged in or threatened, attempted or made plans to engage in any intentional conduct that did, may or would present a risk of physical harm to any person or persons, whether or not on school property;
- C. A student has voluntarily participated in or assisted in any conduct which, although not itself illegal, encourages, invites or entices, by word or example, any other person to engage in conduct violative of the law or violative of the Code of Christian Conduct;
- D. A student has knowingly possessed, used, transmitted or been under the influence of any controlled substance, alcoholic beverage or intoxicant of any kind on school property or at any school function;
- E. A student knowingly possesses, handles, conceals or transmits any object that

could be used as a weapon or instrument of destruction on school property or at any school function;

F. A student knows, but fails to disclose to school authorities, that another student either:

- (i) has threatened or made plans to engage in conduct that would intentionally present a risk of physical harm to any person or persons; or
- (ii) has possessed, handled, concealed or transmitted any object that could be used as an instrument of destruction on school property or at any school function.

Upon the receipt of such information, school authorities, in addition to all other remedies available, shall have the authority to confront the student and/or the student's parents or guardians and to impose, as a condition of such student's continued enrollment, any reasonable requirements and/or restrictions upon such student and his or her parents or guardians which, in the opinions of school authorities are necessary to protect the general student body, the school itself, the educational mission of the school and/or members of the general public. The failure or refusal of a student or parent to comply with such requirements, conditions and/or restrictions shall be grounds for the immediate expulsion of the student.
